L. Stephen Lau Water Research Endowed Scholarship

Application for Fall 2014 Award

The scholarship was established with funds endowed to the University of Hawai‘i at Mānoa by Dr. L. Stephen Lau and Mrs. Virginia May Lau of Honolulu. Dr. Lau is Emeritus Professor of Civil Engineering at the University of Hawai‘i at Mānoa College of Engineering and was, from 1971 to 1990, director of the UH Water Resources Research Center.

The purpose of the scholarship is to further knowledge of Hawai‘i’s natural waters by providing financial assistance that may be used for anything related to costs of attendance or research.
