Are you a student resident looking for a place to connect?

Try our: **Drop-in Support Spaces**

At the Counseling and Student Development Center

Drop-in Spaces provide a virtual space to connect with other students around shared experiences. Drop-In Spaces are not therapy or treatment, do not require a commitment, and are hosted via Zoom.

Check out: **Living on Campus**

A space for residential students to share experiences, express emotions, and connect with others living on campus.
