CONSTRUCTION NOTICE

Additional Notification to On-going Project

TO:

SUBJECT:
Upgrade Exterior Lighting Systems, University of Hawaii at Manoa, UHM 05-536A

CONTRACTOR:
Paul’s Electrical Contracting, LLC

SCOPE OF WORK:
The work generally consists of selective demolition, asbestos abatement, earthwork, pavement repair, sealants, painting, lead hazard control, electrical work, installation of light poles and fixtures and miscellaneous related work in selected locations throughout the University campus.

DURATION OF PROJECT:

HOURS OF CONSTRUCTION:
7:00 AM to 4:00 PM

ACCESSIBLE ROUTES:
Accessible routes will not be affected by this construction.

ADVISORY:
Work will be performed around Everly Hall. Work will begin in the grassed landscape area between University Avenue and Everly Hall and progress to the makai side of Everly Hall (between Everly Hall and the portable buildings). After completing work in these areas the Contractor will work on the Ewa end of Everly Hall between the parking lot and Everly Hall.

Excavation and trenching work will be performed to install underground electrical power lines for new exterior light poles.
Work will be performed from Wednesday, February 11, through Friday March 6, 2009.

All persons in the vicinity of this construction project are advised to respect all construction barricades and all posted safety/detour signs. Your patience, cooperation and understanding are requested as the inconveniences inherent to construction (noise, dust, odors and debris) are generated by this project.
