CONSTRUCTION NOTICE

Additional Notification to On-going Project

TO:

SUBJECT:
Upgrade Exterior Lighting Systems, University of Hawaii at Manoa, UHM 05-536A

CONTRACTOR:
Paul's Electrical Contracting, LLC

SCOPE OF WORK:
The work generally consists of selective demolition, asbestos abatement, earthwork, pavement repair, sealants, painting, lead hazard control, electrical work, installation of light poles and fixtures and miscellaneous related work in selected locations throughout the University campus

DURATION OF PROJECT:

HOURS OF CONSTRUCTION:
7:00 AM to 4:00 PM

ACCESSIBLE ROUTES:
Accessible routes will not be affected by this construction.

ADVISORY:
Work will be performed along the fire lane between St. John Tower Building A and the Food Science Technology building. Excavation work will be performed to install a new exterior light pole. The fire lane will be accessible at all times and the work will not affect any parking stalls along the fire lane on the ewa side of Sherman Lab.

Work will be performed from Monday, March 2 through Wednesday March 4, 2009.
All persons in the vicinity of this construction project are advised to respect all construction barricades and all posted safety/detour signs. Your patience, cooperation and understanding are requested as the inconveniences inherent to construction (noise, dust, odors and debris) are generated by this project.

FACILITIES MANAGEMENT OFFICE (FMO) CONTACT:
Anyone with questions, concerns or comments regarding this Notice of Construction may call Dennis Nakamoto, FMO Project Manager, at 956-3430, or e-mail at dennisn@hawaii.edu.

Thank you.
