

Cardboard House Pattern

Side Tab

House Sides

(Each side is 9cm x 9cm.)

1. Print on 11 x 17 inch paper.
2. Cut pattern along solid lines.
3. Use pattern to cut cardboard.
4. Gently score cardboard along dotted lines.
5. Fold cardboard along scores.
6. Cut 3cm slits for side tabs and 1cm slits for roof sides.
7. Tuck side tabs into slits.
8. Tuck roof sides into slits.
9. Rest main roof on top of house.

House bottom

(9cm x 9cm)

Dotted lines show where to score the cardboard.
(Make a soft cut through the first, paper layer of cardboard.)

Thick lines show where to cut slits. Use slits to tuck in the side tabs and the roof sides.

Roof Side
(4.5cm x 11cm)

(1.5cm x 3cm)
